VILLA RELAIS IL TERMINE

Our land, our sea. Your private Elba.

AN EXCLUSIVE-USE ESTATE · 6 BEDROOMS · UP TO 12 GUESTS

ELBA ISLAND

The island changes the pace

A short crossing from the Tuscan coast leads to clear water, wooded hills and villages on a human scale.
On Elba's quiet eastern side, between the old iron mines of Rio Marina and the hills above Cavo, the timetable falls away.

Closer than you imagine

Fly into Pisa, Florence, Bologna or Rome and drive to Piombino: about 1½ hours from Pisa, 2 from Florence, 3 from Bologna or Rome Fiumicino.

From Piombino, car ferries reach Portoferraio in 40–60 minutes, about 25 a day, and Rio Marina in about 45; some call at Cavo. Without a car, the passenger fast boat reaches Cavo in about 20 minutes, all year.

Or we collect you in Piombino on our own boat.

Driving times: Rome2Rio, October 2026. Ferry times vary by season. Map data: ISTAT (CC BY), Natural Earth.

From the coast to the house

The last miles are part of the stay: hills, iron-red earth, olive trees, and then the stone house.

THE ESTATE

Where woodland meets the sea

On Elba's eastern side, an eighteenth-century stone farmhouse sits on a hidden plateau framed by dry-stone walls, olive trees and Mediterranean woods, looking out over the Gulf of Cavo. For the length of your stay, the house, the pool, the spa and the grounds belong to your group alone: one family or one group of friends, never strangers.

6 BEDROOMS

1–12 GUESTS

7 HECTARES

Seven hectares between woodland and sea

ROOMS WITH STORIES

Six rooms, one private home

The pleasure of sharing one house without giving up your own space.

Six double bedrooms for up to 12 guests, each with its own entrance: two on the ground floor and four upstairs, reached by outdoor stairs.
Imperiale, Corbezzolo, Ginestra and Elicriso each have a private bathroom; the Junior Suite Lentisco pairs two bedrooms with one bathroom, made for families.

PRIVATE SPACES

Character in every room

Beamed ceilings, antique furniture and walls finished in Venetian stucco; mosaic bathrooms with hydromassage showers.

Air conditioning and heating in every room, Wi-Fi throughout and, by choice, no TVs. Courtesy products are made by hand on the estate.

Windows open onto woodland, garden and sea light.

SHARED SPACES

The house follows your rhythm

A quiet room, a long conversation, or time together after a day outside. The common spaces invite people in without asking everyone to do the same thing.

- Dining room with fireplace and a professional kitchen
- Club House: a glass-walled lounge and library among the trees
- Piazza dei Lecci: a round terrace of wood and stone, over 100 m² (1,076 sq ft), facing the Gulf of Cavo
- 1.3 acres of lawns, terraces and gardens; a fenced estate with a gated entrance

THE POOL

SWIM OR RELAX IN THE MEDITERRANEAN POOL

A 50 m² (540 sq ft) pool on a wooden deck among the holm oaks, heated on request. Swim, read, talk, or simply stay where the afternoon finds you.

Long tables under the oaks

Buffet dinners or chef's tasting dinners with full service, arranged on request.

FROM OUR LAND TO YOUR TABLE

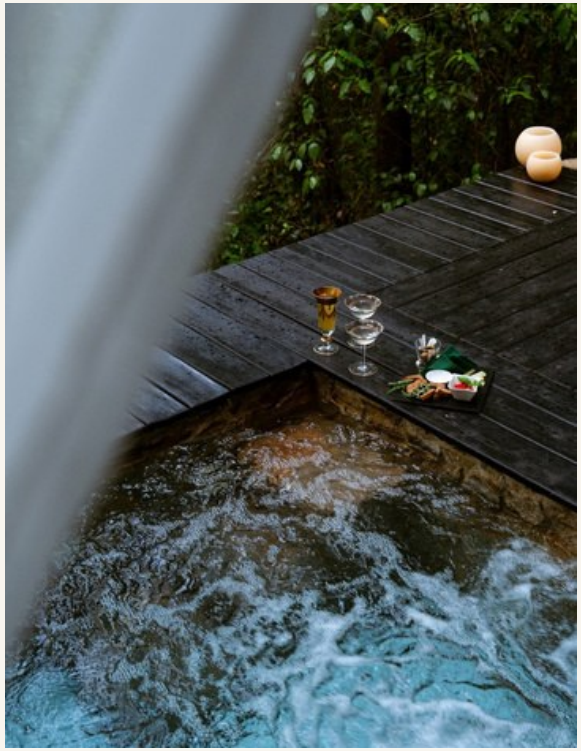
Cooking that begins with the place

Some 400 olive trees planted in 2001, an orchard of cherries, apricots, figs, pears, apples and citrus, and a kitchen garden with aromatic herbs and edible flowers: this is where our kitchen shops, and the fish comes from our own boats.

Seasonal, local and made to be shared.

Flour, eggs and the herbs of the garden

Cooking lessons and courses with our team, a cocktail experience and a sensory aperitivo through the estate, on request.



In the woods, time slows down

A spa of wood, stone and glass among the trees: sauna, steam bath, emotional shower, a massage room that opens onto the woods and an outdoor hot tub facing the sea. Sensory massages, “From Earth to Sky” journeys and treatments with muds and scrubs we make ourselves.

Nothing needs to be scheduled unless you want it to be.

THE FOREST ROOMS

Five private retreats in the woods

Each with a wooden deck, rattan loungers and a heated mini-pool with hydromassage. They can be booked one at a time.
